

Forest Products

Citronelle's 2-county labor shed region has the following times more companies in the forest products sector than the US average for a labor shed our size:

- 52 times more employees working in Newsprint Mills than the US average
- 10 times more employees working in Timber Tract Operations than the US average
- 6 times more employees working in Wood Preservation Companies than the US average
- 5 times more employees working in Paperboard Mills than the US average
- 3 times more employees working in Forest Nurseries and Gathering of Forest Products than the US average
- 3 times more employees working in Logging than the US average
- 2 times more employees working in Support Activities for Forestry than the US average
- 2 times more employees working in Sawmills than the US average
- 2 times more employees working in Paper (except Newsprint) Mills than the US average
- 2 times more employees working in Sawmill, Woodworking, and Paper Machinery Manufacturing than the US average

Incentives

The City of Citronelle is willing to rebate a significant portion of local sales and property taxes generated off a project. The City of Citronelle is also willing to sell property to businesses for low prices.

- Built In Advantages
 - Retail hub—over \$12 million retail dollars per year spent by non-Citronelle citizens
 - 2-county area population: over 430,000 people
 - Close proximity to Airbus' only USA-based assembly plant
 - Close proximity to one of the largest steel mills in the USA
 - Award-winning local schools
 - Alabama features the lowest property taxes in the USA

* Disclaimer: Incentives negotiations are subject to due diligence based on a project by project basis.
